

Booking slots for skate areas arena geisingen

Please follow these steps to book your skate area:

1. Choose the skate area(s) you want to book.
2. Choose your desired training time(s)/ choose your start time(s).
3. Set your preferred start time and the duration of your session.

The price listed in the table applies to having the skate area exclusively for your group. In addition to this, a day entry fee of €5, - is charged per skater.

Only if you book the entire track (Infield, Magenta and Racetrack) you could use the magenta track for exercises. If you only book the Infield or the Racetrack, you will not be allowed to train on the Magenta track.

From 30 skaters or more you could only book the entire track or the road course. This to avoid too much traffic problems to infield or on the racetrack skate area.

If your booking is close to one of our events, there will be an additional event fee and training time may be limited. Please **check** our booking calendar ('**Belegungsplan**' [check link](#)) for availability. Keep in mind that not all booking requests are reflected in the calendar, and you must contact info@arena-geisingen.de for confirmation.

Once you book the track, it cannot be sub-rented to other groups. If there are any issues regarding this, the contact person for the booked session will need to resolve the situation.

Please note that after booking your slot for the exclusive skate area, you can cancel; however, cancellation fees vary based on the time period listed in the table (cancellation fee table).
